We are a non-profit, all volunteer 501c3 organization dedicated to reducing the number of unwanted animals in Snyder, Union and Northumberland counties through our low cost spay/neuter program for pets of low-income families and individuals.

By raising funds through our events, donations, and memberships, we can assist those who cannot afford to spay or neuter their animals, which in turn reduces the number of unwanted animals in our communities. Since our inception in 1984, we have helped spay or neuter over 14,000 animals in our three county region in Central Pennsylvania.

Become a member of PA P.E.T.S. and support our low cost spay/neuter program.  
You can make a difference.
